

PROFESSIONAL DEVELOPMENT MENU

Below is a list of things I've presented on in the past. I think its great to make a unique presentation for your context. I also recommend follow-up sessions.

ASSESSMENT

- Theory
 - Developmental assessment theory
 - Formative / Summative / Diagnostic assessment
 - Norm vs. Criterion referenced assessment
- Rubric writing
- Multiple-choice question theory
- Exam technique (for students)
- Study technique (for students)
- Pre- and post-testing
- Effect size calculation
- Guttman analysis
- Creating developmental progressions
- Reporting on 'progress' (rather than just achievement)
- Evidence / data strategy

TEACHING

- Learning intentions and success criteria
- Targeted teaching
- Differentiation

GAME-BASED LEARNING

- "Playful learning"
- Games
- Gamification
- Creating collaborative-problem solving games
- Producing student-led narrative "Learning adventures"

PRICING

- Group presentations - \$200/hour
- Meetings / Preparation / one on one video calls / giving feedback - \$100/hour
- Transport to location - \$50/hour + costs
